

# Test Summary Report – orangHRM

---

**Project:** DEPI\_EYouth\_FinalProject

**Test Scope:** The test cases focus on the login functionality of the Orange HRM system.

**Team:** DEPI

**Tester:** Youssef Ali

**Sprint:** Sprint 1

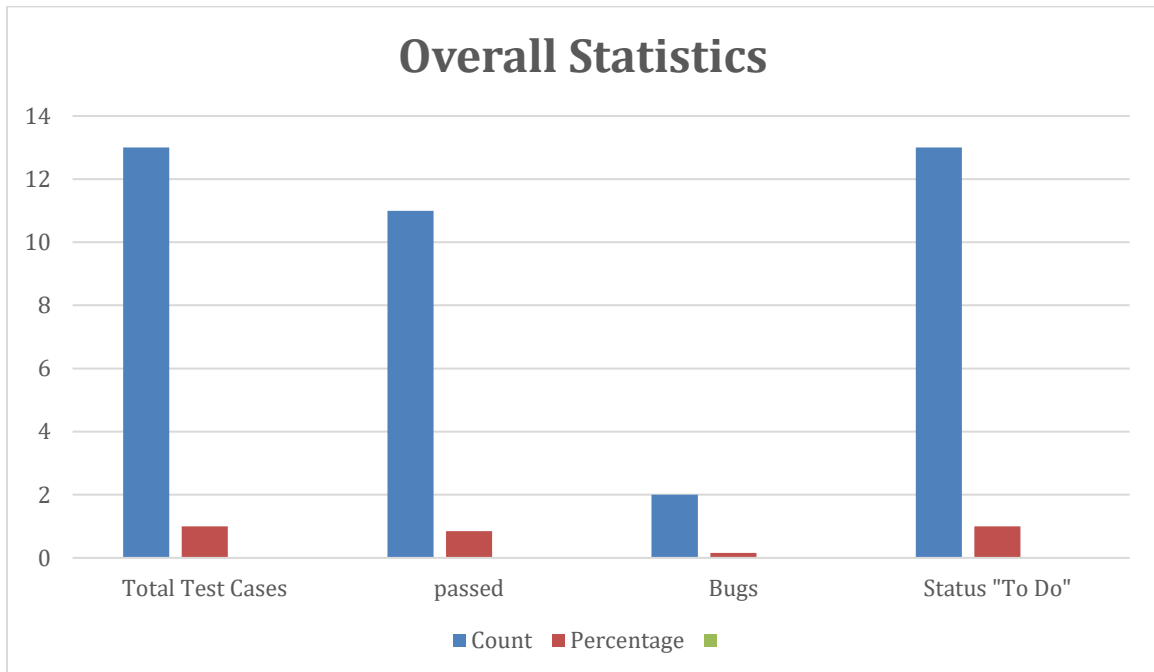

**Date:** May 13, 2025

## Test Environment:

- Browser: Chrome
- URL: <https://opensource-demo.orangehrmlive.com/web/index.php/auth/login>

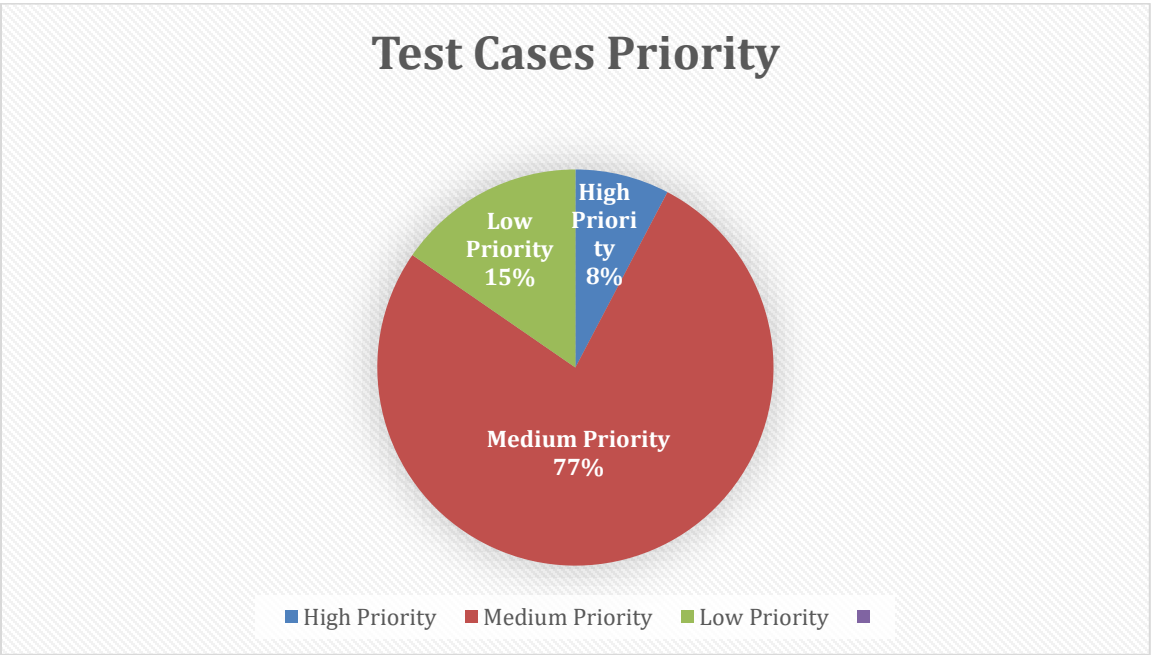

## Overall Statistics

Item	Count	Percentage
Total Test Cases	13	100%
passed	11	84.6%
Bugs	2	15.4%
Status "To Do"	13	100%
High Priority	1	7.7%
Medium Priority	10	76.9%
Low Priority	2	15.4%

Test Cases Priority

Item	Count	Percentage
High Priority	1	7.7%
Medium Priority	10	76.9%
Low Priority	2	15.4%

## Test Case Details

ID	Type	Priority	Summary	Expected Result
DEPI-123	Test Case	High	Login use valid credentials	Redirect to the dashboard
DEPI-128	Test Case	Medium	Login with correct username and wrong password	'Invalid credentials' error message
DEPI-134	Test Case	Medium	Login with invalid username and valid password	'Invalid credentials' error message
DEPI-138	Test Case	Medium	Login with both invalid username and password	'Invalid credentials' error message
DEPI-140	Test Case	Low	Login with blank username and valid password	'Required' message below username
DEPI-141	Test Case	Low	Login with valid username and blank password	'Required' message below password
DEPI-143	Test Case	Low	Login with both username and password blank	'Required' under both fields
DEPI-146	Bug	Medium	Fields accept over 100 characters	Should not accept more than 100 characters
DEPI-147	Test Case	Medium	Check if password characters are masked	Password should appear as dots or bullets

DEPI-148	Test Case	Medium	Login with special characters in both fields	'Invalid credentials' error message
DEPI-149	Test Case	Medium	Check social media icons in the footer	Icons visible, clickable, and link correctly
DEPI-150	Bug	Medium	HTTP 500 error when using external login option	Should redirect to external login
DEPI-169	Test Case	Medium	Functionality of external login option	Should redirect to external login
DEPI-161	Test Case	Medium	Handling of over 100 characters in input fields	Should not accept over 100 characters

### Defect Summary:

DEPI-150	Bug	Medium	HTTP 500 error when using external login option	Should redirect to external login
DEPI-146	Bug	Medium	Fields accept over 100 characters	Should not accept more than 100 characters

## Conclusion:

This report is based on the provided test case document and highlights the planned testing activities. After test execution, the report should be updated with the actual results (Passed/Failed), defect status, and any relevant metrics. Please update the 'Defect Summary' section with the details of the second bug.
